

Walgreens Boots Alliance Fact Sheet

All figures in this document are as of August 31, 2022 unless otherwise noted.

Company Overview

- Walgreens Boots Alliance (Nasdaq: WBA) is an integrated healthcare, pharmacy and retail leader serving millions of customers and patients every day, with a 170-year heritage of caring for communities.
- Purpose: More joyful lives through better health.
- Vision: To be the leading partner in reimagining local healthcare and wellbeing for all.
- WBA is the largest retail health, pharmacy and daily living destination across the U.S. and Europe with a presence in nine countries. This includes:
 - Approximately 13,000 retail locations across the U.S., Europe and Latin America
 - More than 325,000 team members, including 31,000 pharmacists globally
 - A portfolio of healthcare-focused investments located in several countries, including the U.S. and China
- Sales of \$132.7 billion in fiscal year 2022 (WBA fiscal year runs Sept. 1 through Aug. 31).

Business Segments

U.S. Retail Pharmacy:

- Walgreens and Duane Reade are the company's flagship brands and together form one of the largest drugstore chains in the U.S.
 - 8,886 drugstores in 50 states, the District of Columbia, Puerto Rico and the U.S. Virgin Islands.
 - Approximately 78% of the U.S. population live within five miles of a Walgreens.
 - Approximately 10 million in-store and online customer interactions each day.
 - Walgreens loyalty program, myWalgreens, has more than 102 million active program members.
 - Micro-Fulfillment Centers: Operating nine automated micro-fulfillment centers that use automation technology to fill prescriptions, freeing up more of pharmacists' time to provide clinical services.
-

U.S. Healthcare:

- The U.S. Healthcare segment is anchored by WBA's majority owned and wholly owned businesses and powered by a nationally-scaled, locally-delivered healthcare platform and clinical programs:
 - VillageMD: There are currently approximately 870 total VillageMD clinics, inclusive of Summit Health and CityMD, including 217 co-located at Walgreens stores, that provide patients with full-service primary care. WBA is the largest shareholder of VillageMD with approximately 53% ownership.
 - Shields Health Solutions: Shields is a leader in the large, fast-growing market of specialty pharmacy, and is the premier health system-owned specialty pharmacy integrator in the U.S.
 - CareCentrix: A leading player in the post-acute and home care sector, providing care coordination and outsourced benefit management services, CareCentrix, is the only independent, home-centered platform that coordinates care to the home for health plans, patients and providers.
- These industry leading businesses and the organic Walgreens Health business make up the company's U.S. Healthcare segment.
- In collaboration with participating payor partners, the company currently has 116 Walgreens Health Corners, which provide in-store clinical and non-clinical services from Health Advisors, who are healthcare professionals.

Business Segments Cont.

International:

Includes 3,989 pharmacy-led health and beauty retail stores in five countries, with a growing online presence. International brands include:

Boots:

- More than 85% of the UK population lives within 10 minutes of a Boots store
- More than 2,500 stores located in the UK, Thailand and the Republic of Ireland
- Boots Advantage Card loyalty program has more than 15.1 million members
- Boots also has franchise operations in the Middle East and Indonesia
- More than 1,100 **Farmacias Benavides** locations in Mexico and nearly 300 **Farmacias Ahumada** locations in Chile.
- WBA also owns the combined **GEHE** and **Alliance Healthcare** pharmaceutical wholesale operation in Germany.
- **No7 Beauty Company:** Portfolio of highly regarded beauty brands available online and in more than 22,000 retail outlets across 29 markets worldwide.
- **WBA Global Sourcing:** WBA Global Sourcing leads the development, maintenance and delivery of WBA owned brand products that span the categories of health and wellness, beauty and personal care, grocery, general merchandise and more. The team works with suppliers to help ensure WBA owned brands provide both value and quality for customers.

Environmental, Social & Governance

WBA's ESG strategy is rooted in the company's purpose to help people live more joyful lives through better health. WBA continues to focus on work supporting healthy communities, enabling a healthy planet, building a sustainable marketplace and providing a healthy and inclusive workplace. Highlights and progress in fiscal year 2022 include:

- \$100M: Donated to support the health and wellbeing of communities around the world
- 350M+: Women and children received life-saving vitamins through the company's partnership with Vitamin Angels
- 21.2%: Reduction in carbon emissions from the company's baseline in 2019
- 69M+: COVID-19 vaccinations administered to date as of Aug. 31, 2022
- \$324M+: Raised for Red Nose Day, an annual fundraising campaign launched in 2015 to end the cycle of child poverty and ensure a healthy future for all children

Diversity, Equity & Inclusion

WBA is creating a culture where diversity, equity and inclusion are at the center of everything we do and creating an environment where everyone—patients, customers, team members, communities and suppliers—feels valued and respected. Highlights and progress in fiscal year 2022 include:

- 32.4%: Increase in Business Resource Group (BRG) memberships globally, equivalent to 1,195 new members
- 10.6%: Increase in trainee participation in the Retail Employees with Disabilities Initiative (REDI) U.S. program from fiscal year 2021
